

**YOUR TOTAL OUTDOOR SOLUTION**  
**Commercial Maintenance Division**

 **LawnElements**

“Lawn Elements is the most trusted name in the commercial landscaping industry.”

Our vision at **Lawn Elements** is to be recognized as the most trusted name in the landscape and maintenance service industry through our earned client confidence and reliable reputation. We do this by providing our clientele with a superior product, and a superior service.

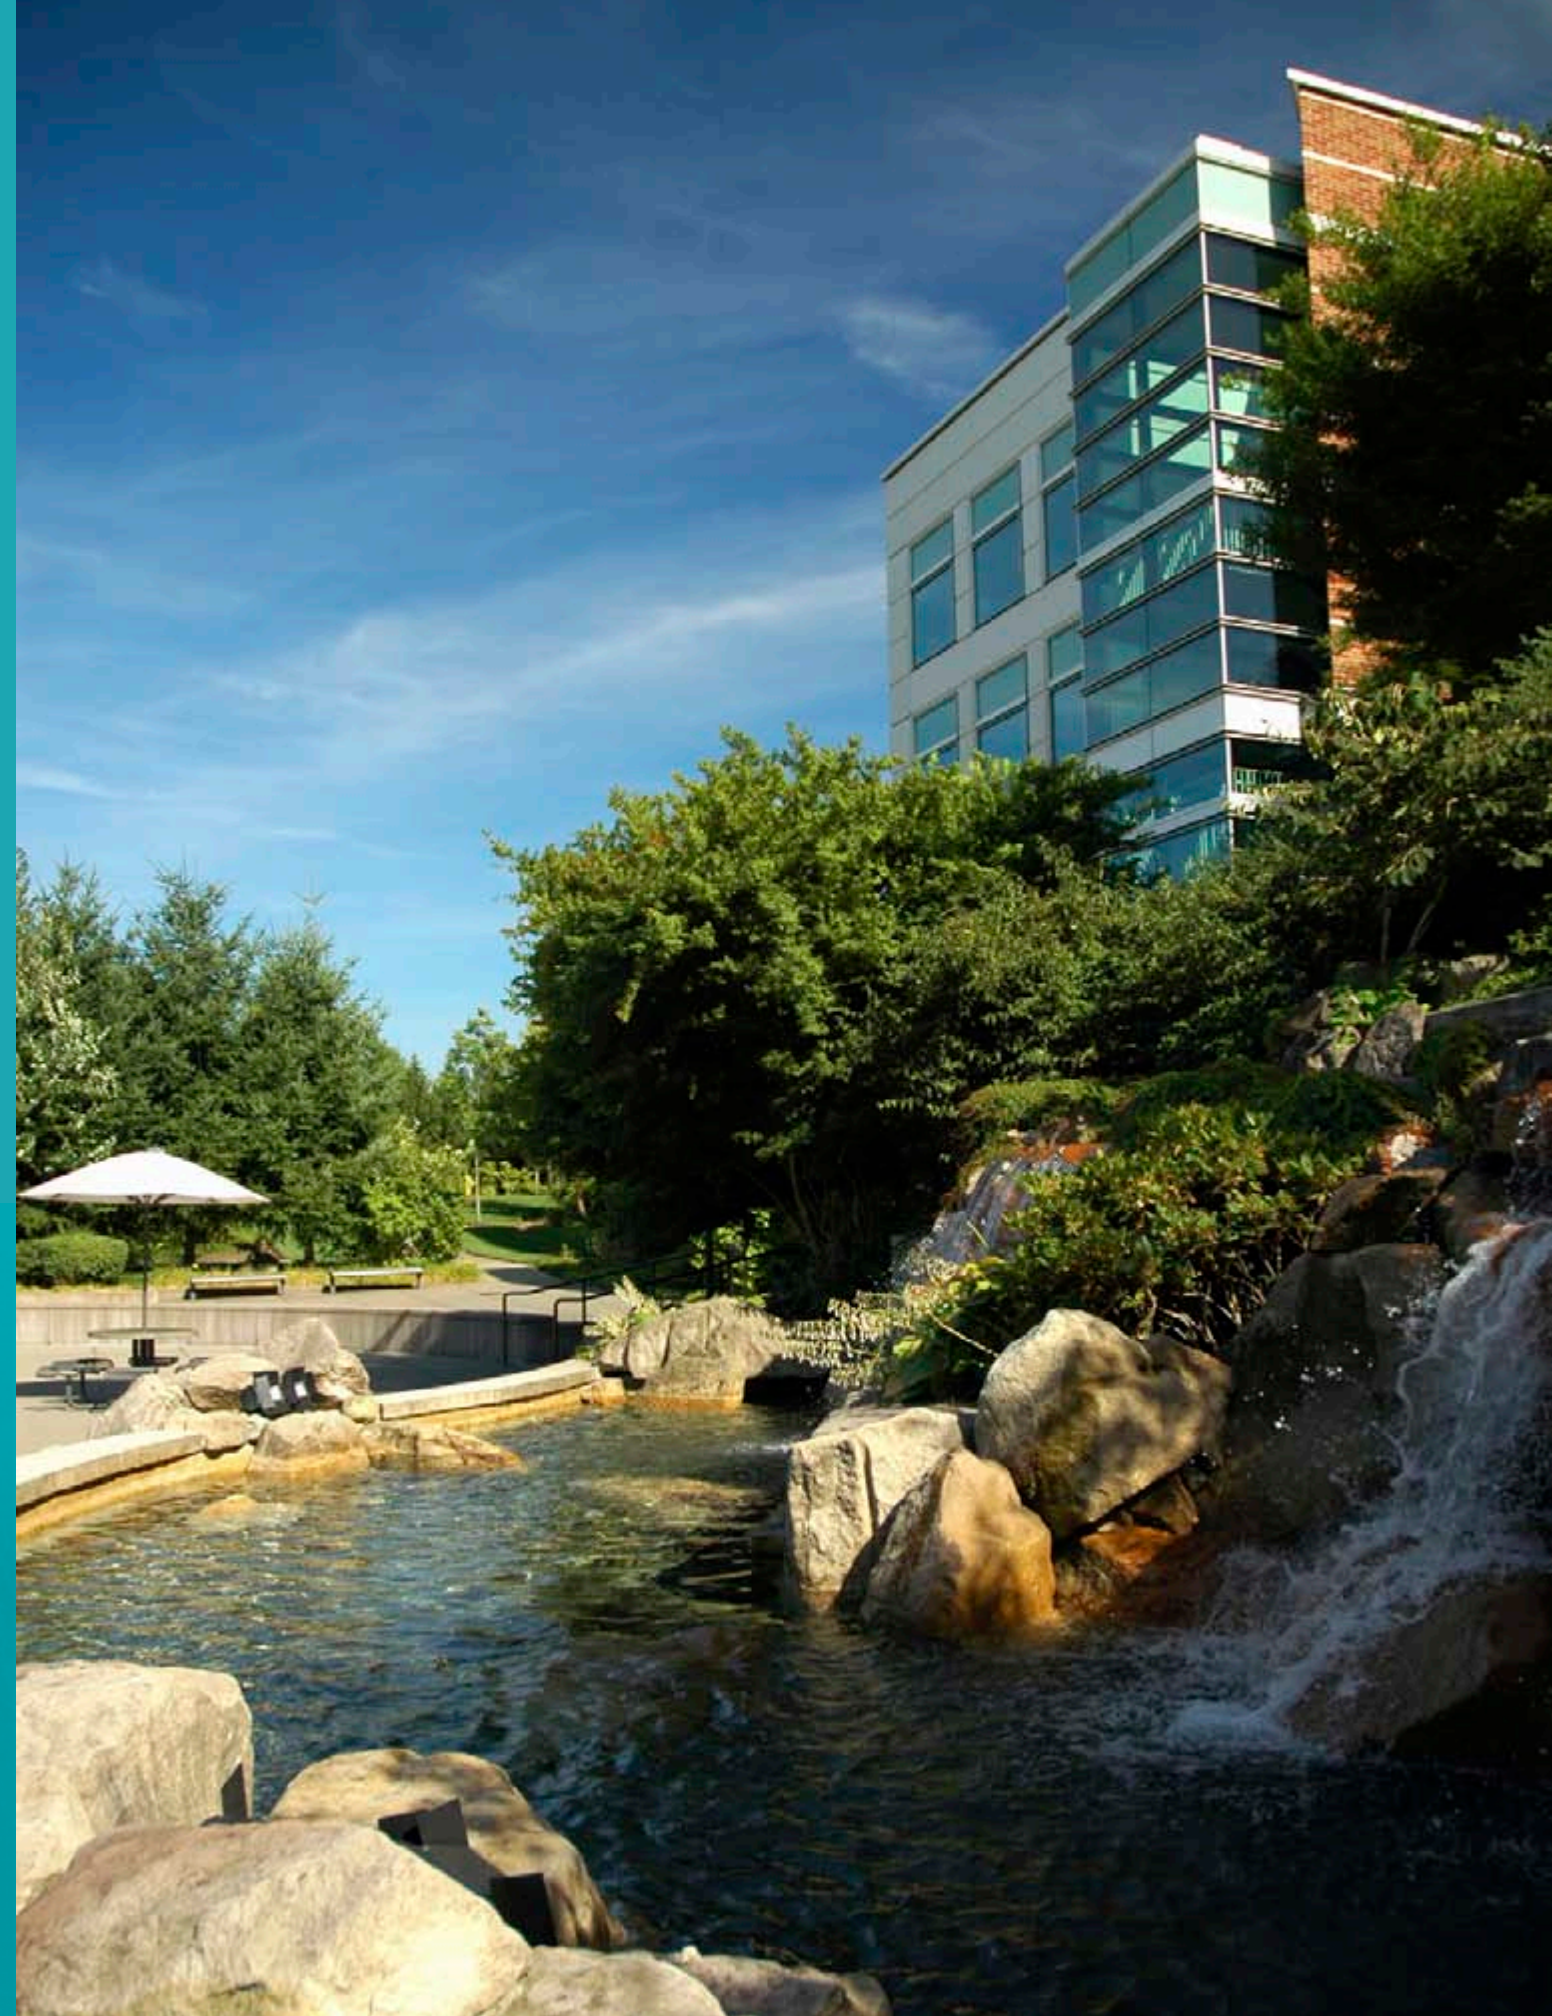

Using a systematic approach to the management of your landscape maintenance, **Lawn Elements** schedules and reports on your site's progress and needs as part of our weekly regimen. Every **Lawn Elements** team member is trained to recognize the potential of your property and to proactively identify, solve and enhance your outdoor landscape, thus providing you with a complete and worry free landscape service.

Exceptional and reliable, **Lawn Elements** brings quality of life to your professional outdoor surroundings.

#### **Commercial Landscape Maintenance**

As a commercial property owner, you know that the outside aesthetics of your property casts an immediate reflection on your building. Sharp landscaping is a great asset to attracting tenants, patrons and business to your site.

At **Lawn Elements**, our ground crew not only completes your year-round maintenance in an efficient, worry-free fashion, but also continually works to improve your property offering. We troubleshoot any issues and resolve them before they become a problem. And our planting, maintenance and clean ups are all performed on schedule to ensure the year-round beauty and safety of your site.

# “Lawn Elements -- for a fresh, smart and seasonal appearance.”

## **Irrigation**

The **Lawn Elements** maintenance team is trained to troubleshoot – and your landscape’s irrigation needs are a vital component to the health and aesthetics of your living property. Our team ensures your irrigation systems are working efficiently, are adjusted for weather changes, and are in proper working order for cost and conservation efficiency.

## **Snow and Ice Management**

Take a proactive view to your winter season. Before the temperature drops, **Lawn Elements** surveys and maps your site making sure your drive and walkways are safety ploughed for your tenants.

On the job 24/7, we monitor meteorologist reports and keep our clients informed, with future forecasts, timing and your budget in mind.

## **Lawn Elements services:**
